First and Second Quarter E – Newsletter -2022-23

Head of the Institute	Message
 <p>Dr. Anand Deshpande Principal & Director, AITM</p>	<p>An Institute is assessed on the basis of the Academic ambience and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.</p>
Head of the Department	Message
 <p>Mr. Malagouda Patil HOD</p>	<p>Mechanical Engineering Department at Angadi Institute of Technology and Management, Belagavi. We started our journey in the year of 2010. Over the last 13 years, we have grown our expertise and competence in the core Mechanical Engineering curriculum and research. At present the Department is running with UG program with 60 intake, PG program in (PEST with sanctioned intake of 12 and R&D cell recognized by the VTU. The department with a cutting edge resources and competent faculty members. The UG and PG program provides an excellent opportunity to learn the fundamentals of mechanical engineering in various domains of mechanical engineering.</p>

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision:

To Impart quality education in Mechanical engineering by developing the core competencies to meet the diverse needs of global challenges.

Mission:

- M1: Educate our students with domain knowledge and practical skills by competent faculty in response with technological developments.
- M2: Adopt student-centric learning techniques to develop analytical and real time problem solving-skills.
- M3: Develop a compelling atmosphere to understand the technical and managerial principles and efficacy of lifelong learning.

Farewell is a fancy way to say goodbye. A farewell is also an expression of good wishes at a parting Farewell for 8th Semester Mechanical Engineering students held on 20th July 2022 at AITM Auditorium Belagavi.

8th Semester Mechanical Engineering students held on 20th July 2022 at AITM Auditorium Belagavi. The Chief Guest. Dr.Spoorti Angadi Patil, Director SAEF, Dr Anand Deshpande, Principle and Director AITM, Mr.Raju Joshi, Administrator, SAEF, Mr. Kiran Koraddi, Dean Academics AITM, Mr Aravind Muddebihal, HOD of Mechanical Engineering Department.

Mechanical Engineering Project Exhibition held at machine shop on 19th July 2022.

PROJECT EXHIBITION

The college organizes inter discipline project in the month of July.

The Mechanical Department students exhibit the various projects like social, Agricultural, Software and Hardware etc.

5th Semester Mechanical Engineering students attended on a “Career Development Programme” held at Ramakrishna Mission Ashram on 18th October 2022 for Belagavi.

7th Semester Mechanical Engineering students completed AICTE Activity points in Govt Higher Primary School Kanburgi on 1st December Belagavi.

The objectives of AICTE student activity are to expose students to real-time life challenges, to provide the opportunity to gather data, analyze data, and propose solutions.

Department of Mechanical Engineering conducted a Parents Meets on 12th December at AITM Belagavi

Industry Project under the guidance of V.Sushanthkumar sponsored by Belgaum Foundry Cluster in Association with TATA Technologies.

Project Title: Shot Blast Hanger to be Converted to detachable Bracket Frame (Casting)”

Latitude: 15.823413
Longitude: 74.495519
Elevation: 684.9m
Accuracy: 20.0m
